

# ***SPOT GEN3***

***SATELLITE MESSENGER FOR  
LONE WORKER SAFETY***

# WHAT DOES IT OFFER?

- **S.O.S** – S.O.S with GPS broadcast and S.O.S lock to prevent false alarms. The device also comes up with a help and duress function.

- **Rugged & Weatherproof** – built to withstand extreme temperatures (-30 °C to +60 °C), altitudes, humidity and submersion (1m for up to 30 minutes).

- **Off-the-Shelf Batteries** – Powered by 4 x AAA Off-the-Shelf Lithium batteries can send up to 1250 messages or; stand-by for 3 months.

- **Check-in/OK** – 3 pre-defined canned messages; check-in, help/help cancel and custom.

# WHAT DOES IT OFFER?

- **Tracking** – Used with Tracetrak, SPOT provides a low cost enterprise grade solution to track your remote personnel.

- **Flexibility** – Set own rules for when and how personnel are tracked, define check-in schedules and escalation rules for when check-ins are missed.

- **24\*7 Tracking** – If trouble strikes, workers can initiate SOS broadcast with GPS location, monitored 24/7 by Digicore.
