

ASSET TRACKING SOLUTION

TRACK YOUR ASSETS EFFECTIVELY

ASSET TRACKING SOLUTIONS

- Digicore's asset tracking portfolio offers a variety of affordable and satellite-enabled devices to track your assets.

- Our solutions ensure that you keep track of your assets when dispersed over various locations, especially in remote areas where cellular coverage can be sparse or non-existent by using satellite communication.

- Our trackers can be easily integrated to Digicore's telematics guru for tracking your assets through one, data rich lens.

- By using our solutions, you can ensure that there are safeguards in place to manage assets and remotely monitor movement to ensure safety of personnel and assets on the job.
