

G62

POWERFUL & ULTRA-RUGGED

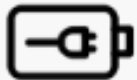

FEATURES

- **High precision GPS and GLONASS positioning systems** are used simultaneously for enhanced accuracy and faster fixes.

- **Real-time asset tracking** – to remain continuously connected with the asset while on the move.

- **Back-up Battery** - Features a 1100mAh LiPo internal backup battery pack in case of loss of power, quicker fixing or tampering.

- **Remote Immobilisation** - of vehicles in the case of theft, abuse, or unauthorised usage.

FEATURES

- **Rugged & Weatherproof** - IP67 Nylon Glass Housing; The device can safely withstand fine dust, high-pressure spray, submersion for 30 minutes in 1m of water, and extreme temperatures.

- **Driver ID Options** - Configure iButton® for Driver ID, and Log booking.

- **Driver Safety & Behaviour** - Monitor speeding, harsh acceleration, braking, cornering, idling, and more to improve safety and prevent unnecessary wear on vehicles.

FEATURES

- **Accident & Rollover Detection** - Accident and rollover alerts when extreme changes in velocity and orientation of vehicles.

- **In-Vehicle Alerts** - Wire the G62 fleet tracker to external buzzers for in-cab alerts such as speeding, harsh driving, driver identification reminders, and more.

- **Run Hour Monitoring** - Calculate run hours and distance travelled to understand and optimise vehicle utilisation.

- **Preventative Maintenance** - Set reminders based on distance travelled and run hours to reduce maintenance and repair costs.

LAST BUT NOT THE LEAST

- *Weight* - 170 g (6.00 oz).
- *Operating Temperature* - -20°C to +60°C.
- *Geofencing* - Create custom geofences and alerts if an asset enters or leaves specific locations
- *Setup speed limits* within geofences and get in cab alerts if you exceed the limit.
- *Hardwired geofencing* means that you do not need a cellular coverage to track your vehicles.
- *Make changes remotely* to suit your needs.
- *Manufacturer's Warranty* - One-year manufacturer's warranty.

THE DIGICORE DIFFERENCE

- 14 years of experience serving clients across mining, oil and gas industries.
- We are an Australian company which goes the extra mile to provide top quality products and services.
- Our reporting interface & scheduler can provide you with 100% accurate and customisable data.
- We are a customer-centric team that is ready to support you.
- No lock-in contracts mean that you save on costs without compromising on quality
- Flexible SIM cards mean that you only pay for what you use.
- We will constantly keep you compliant and will truly be you “Partners in Safety”.
