

YABBY WIFI

TINY, LIGHTWEIGHT AND STRONG

FEATURES

- **Wi-Fi Positioning** - Indoor asset tracking location using Wi-Fi Positioning Systems (WPS).

- **Rugged & Weatherproof** - IP67 rated housing ensures the device can withstand dust, pressure, submersion, and extreme temperatures.

- **Off-the-Shelf Batteries** - Powered by 3 x AAA Off-the-Shelf Lithium batteries for up to 6.5 years.

- **Accelerometer** - 3-Axis Accelerometer to detect movement and high g-force events.

FEATURES

- **Periodic or Movement-Based** - Configure to send updates based on set time intervals (1x, 3x, 5x a day, etc.,) or when movement occurs.

- **Sleep Mode** - Stationary devices enter sleep mode to conserve battery life and optimise data usage.

- **Impact Detection** - Configure impact-detection alerts when g-forces are exceeded by a user-defined threshold.

- **Run Hour Monitoring** - Capture run hours based on movement to understand and optimise asset utilisation.

FEATURES

- **Advanced Geofencing** - Create custom geofences and alerts if an asset enters or leaves specific locations.

- **Easy Install**- Multiple installation options for covertly securing devices to assets with screws, bolts, cable ties, rivets, and more.

- **Flexible Configuration** - Configure device parameters such as heartbeat rate, movement and accelerometer settings, and more.

LAST BUT NOT THE LEAST

- *Weight* - 101 g (3.562 oz).
- *Operating Temperature* - -20°C to +60°C; IP67 rated.
- *Make changes remotely* to suit your needs.
- *Manufacturer's Warranty* - One-year manufacturer's warranty.

THE DIGICORE DIFFERENCE

- 14 years of experience serving clients across mining, oil and gas industries.
- We are an Australian company which goes the extra mile to provide top quality products and services.
- Our reporting interface & scheduler can provide you with 100% accurate and customisable data.
- We are a customer-centric team that is ready to support you.
- No lock-in contracts mean that you save on costs without compromising on quality
- Flexible SIM cards mean that you only pay for what you use.
- We will constantly keep you compliant and will truly be you “Partners in Safety”.
